

SLCS WINS

South Lyon Community Schools Wellness Initiative Now Stars

December 2011

Hello Local Business,

South Lyon Community Schools is launching our first employee wellness program with the mission of *Living Healthy Together – SLCS WINS!* Our program goals are to **build a culture of wellness, develop individual healthy lifestyles and educate and develop responsible health consumers.**

We will be kicking off *SLCS WINS* with a Health Fair on March 1, 2012 at South Lyon High School from 3:00 p.m. to 7:00 p.m. Our goal is to involve community sponsors in a variety of ways. So how can you help?

- Set up an information table featuring your health topic such as healthy diet, cancer screening, dental care, exercise, health and beauty, etc...;
- Donate prizes for our raffle; **and/or**
- Share a monetary donation towards our wellness initiative.

We hope to have a key note speaker to energize and motivate our employees at this event, provide health screenings, and through **community business support** showcase many information tables and wellness activities. All sponsors will be recognized in our wellness program and by participating in our event, all employees will be provided with a list of the business names and contact information.

As wellness is not just a “one time” event, but a lifestyle change, we hope to support our staff in the coming months with other events such as, a healthy recipe challenge, building walks, a wellness newsletter, and so much more!

Please contact Barb Elliott by February 1, 2012 at 248-573-8133 or at elliottb@slcs.us if you would like to participate or have additional questions. Have a wonderful holiday season!

Your SLCS WINS leadership team!

Jim Brennan, Lisa Welch, Tina Harma, Barbara Elliott, and Melissa Baker
